# PARA TRAIL SUMMIT

## NORTH AMERICAN PARA TRAIL SUMMIT

We're proud to share an important milestone for trail running in North America.

In 2026, Desert RATS Trail Running Festival by UTMB will serve as the North American Para Trail Summit, hosted in collaboration with Born to Adapt, a leader in adaptive trail running education and athlete support.

The Para Trail Summit is a dedicated program within the 2026 Desert RATS Trail Running Festival by UTMB® designed to support and elevate adaptive athletes while creating an accessible entry point for trail runners interested in becoming guides. In partnership with Born to Adapt, the weekend features hands-on clinics led by expert coaches, a prosthetics specialist, and a dedicated para coordinator, all focused on building trust, communication, and strong athlete-guide partnerships on trail.

Race-weekend support includes movement-skills workshops, long-run preparation sessions, adaptive-informed aid-station considerations, on-stage guide training, and awards categories recognizing adaptive athletes in every race, ensuring a meaningful, confident, and community-centered experience for all.

# BIB PICK-UP

## BASECAMP (EXPO) PICK-UP

Bib pick-up will be available at the Basecamp (Expo) in Civic Center Park (325 E Aspen Ave) during the following times:

- Thursday, April 9 from 3 PM to 6 PM
- Friday, April 10 from 9 AM to 5 PM
- Saturday, April 11 from 2 PM to 6 PM

## RACE MORNING BIB PICK-UP

Race morning bib pick-up will be available at the Start/Finish Line (Hawkeye Trailhead off Mack Exit).

- 100K & 50K: Saturday, April 11 beginning at 4 AM.
- 21K: Sunday, April 12 beginning at 7 AM.

## WHAT TO BRING

- Your registration QR code
  - \* Your QR code and bib number will be sent via email on Wednesday of race week
- Passport or Valid Photo ID

## BIB PICK-UP STEPS

1. Show your registration QR code
2. Present photo ID to volunteers to begin check-in process and receive bib number.
3. Pick up bib.
4. Pick up runner giveaway items.

Visit the Runner Services Table for any registration questions. Please note, we are not able to offer distance changes into sold out events and there are no distance changes on race day.

## RUNNER WRISTBAND

Runners will receive a wristband printed with their race distance during Bib Pick-Up. This band will identify you as an official runner and must be worn during the event at all times.

## MEDICAL INFORMATION

If you have a known medical condition, we highly advise that you take the following steps:

- Stop by the Runner Services Table at Bib Pick-Up to get a special race day wristband on which you should write the details of your medical condition(s).
- Write the details of your medical condition(s) on the back of your runner bib, which you will receive in your race packet.

The medical information that is placed on your wristband and runner bib.

## PRIORITY CHECK-IN

UTMB+ Priority Check-In will be available during Basecamp (expo) hours for Level 2 (Trailblazer) and Level 3 (Summit) runners. For more information or to check your status, please [CLICK HERE](#).

# ATTENTION RUNNERS

## Show your appreciation to a Volunteer!

Runners will receive a UTMB Cares wristband during bib pick-up and are encouraged to gift the wristband to a volunteer that exemplifies the UTMB Cares values of solidarity, respect, inclusivity, authenticity, and humility. We are so grateful to each volunteer, and we're excited for this opportunity to show our thanks during race weekend.

# PRE-RACE INFORMATION

## PHYSICAL ADDRESSES

### BASECAMP (EXPO)

Civic Center Park  
325 E Aspen Ave

### START & FINISH

Hawkeye Trailhead off Mack Exit

## RUNNER BRIEFINGS

Runner Briefings will be held in the days preceding the race. Please refer to the schedule for times and locations of the Runner Briefings. Runner Briefings will consist of a Question and Answer session with race management to address any issues, concerns, or changes that have arisen during race week.

\* ASL interpreter will be present for runner briefings as part of the Para Trail Summit.

## COMMAND CENTER NUMBER

The Command Center Number is: 813-422-2094

Please save this number in your phone. This number will also be printed on the front of every bib towards the center at the bottom.

Carrying a mobile/cell phone with international roaming that works in the USA is required as mandatory gear for all race distances.

Please call or text this number for any of the reasons below:

- An emergency situation where you or another runner are unable to make it to an Aid or Medical Station
- You abandon the course (dropout from the race) for any reason, and unable to notify a race official. Please include the following when communicating with The Command Center:
  - Bib number
  - Reason for your drop-out
  - Location of your drop-out
  - If you have transportation off course

# RUNNER TRACKING & RESULTS

## WHERE'S MY RUNNER?

LOOKING FOR YOUR RUNNER? SEE BELOW FOR HELPFUL TIPS!

- Not all Aid Stations will have tracking, so don't panic if you don't see a time for your runner.
- Limited cellular and satellite connectivity may cause delays in runner tracking updates, and some aid stations may report times more frequently than others

### **Q: My runner should have checked in by now. Where are they?**

A: No need to worry! There are plenty of reasons they may not show as checked in:

- Tracking is not available at that location.
- Connectivity is limited, and tracking updates may be delayed.
- The course includes a variety of terrain, with some sections being more challenging than others, so it's completely normal for runners to move a bit behind their expected pace at times.

\* Anticipate up to a 2-hour delay in your runner tracking for any of these reasons

### **Q: Who should I contact if I'm having trouble tracking my runner?**

A: Our experienced Runner Tracking Team works diligently to ensure all runners are on course, safe, and accounted for. They use the same LiveTrail software as the app, so you'll see the same location updates when your runner checks in.

**Your runner's safety is our top priority! Our Runner Tracking Team has proven procedures in place to quickly identify and locate any runner who may go off course, ensuring they are safely accounted for throughout the event.**

## RUNNER TRACKING

[LIVETRAIL.NET](https://www.livetrail.net) will be available to track runners throughout the event. Please note these are timing splits at certain checkpoints on the course and are NOT live/GPS tracking. Due to the remote nature of these locations there may be possible delays on LiveTrail updating. [CLICK HERE](#) for Runner Tracking FAQs.

## TIMING

The race will be timed by LiveTrail using chips located on the bibs. The chips are automatically recorded at the Start Line, various Aid Stations, timing locations and the Finish Line. Please refer to the "How to Wear Your Bib" section in the Runner's Guide for the proper way to wear your bib so the chip is not damaged and is properly recorded.

PLEASE NOTE: All runners in the race must wear their race bib with the tag intact in order to have their times recorded. No bib = no time! Please make sure the race bib is pinned on your front and is visible throughout the race.

### **TRACK YOUR RUNNER:**

To follow your runner's progress on race day, download the LiveTrail Tracker app to your smartphone.

# PARKING

## NEW PARKING LOCATION FOR 2026!

Unlike previous years where all runners and spectators were required to bus from Fruita Monument High School, parking will be allowed at a new parking area near Hawkeye Trailhead in 2026! For clarity, there will NOT be a bus option from the High School and all runners are responsible for getting themselves to/from the event start line.

Parking address: 1065 US-6 & 50, Mack, CO 81525

\* Once you get off the exit, there will be plenty of signage and in the area to guide you to the parking lot.

Runners can begin parking near the start line at the following times:

- 10K: Friday beginning at 3:30pm
- 100k & 50k: Saturday beginning at 3:30am
- 21K: Sunday beginning at 7:00am

**IMPORTANT NOTE** – NO CAMPING is allowed at the new parking location. If you are found car camping prior to race morning, you can be disqualified.

- If a racer's crew is camping in the lot their racer will be disqualified
- As always, our ability to host this race depends on everyone following parking rules exactly. We appreciate your help — our permit depends on it.
- Distance is between .5-1 mile to the start

There is no runner dropoff at Hawkeye Trailhead.

## WALKING TO THE START/ FINISH

Runners and spectators will be pushed to the north when exiting off the Mack Exit. Traffic assistance and flaggers will direct all vehicles down into the new parking lot. Earliest arriving vehicles will be parked in the spaces closest to the lot entrance.

Runners and spectators will follow the blue overview in the map below to safely walk from the parking area to the event start / finish line. UTMB will have lighting, traffic assistance and volunteers along the path to ensure safety, especially at the road crossings. Portable toilets will be available at the Parking Lot, but we encourage all runners to use the larger bank of portos provided at Hawkeye Trailhead.

**IMPORTANT NOTE** – the distance from the parking lot to the Hawkeye Trailhead is 0.5 miles. We recommend all runners and spectators plan for (20) minutes to make this walk. Give yourself enough time prior to your race start!

# SHUTTLES

## SHUTTLES FROM PARKING AREA

There are no runner shuttles from the parking area to Hawkeye Trailhead! Runners should arrive expecting to make the half mile walk from the parking lot to the race start location.

There will be an assistance van that runs continuously back and forth between the access road to the parking lot and the Hawkeye Trailhead. This limited service is intended only for individuals who are unable to complete the 0.5- 1 mile walk. For example, this includes::

- Spectators with mobility limitations or injuries.
- Older family members who may have difficulty walking longer distances.
- Anyone who needs assistance covering the distance from parking to the venue.

Pending availability and operational capacity, the assistance vehicle may help transport finishers after the race. This service is not guaranteed and depends on finisher flow and safety conditions. Thank you for your understanding in making sure everyone can be apart of the experience comfortably!

## CREW SHUTTLES

### 100K

Shuttles will be available beginning at the start of the 100K to take crew to Rustler's Aid Station from the race start / finish line. Shuttles will run until 4pm. There is absolutely NO PARKING at the Rustler's or Troybuilt Aid Station – do not drive out there!

New for 2026 – crew parking will be allowed at Rabbit Valley Aid Station. There will NOT be shuttles to Rabbit Valley. Spectators should return to their vehicles and drive to Rabbit Valley.

Rabbit Valley parking is located off I-70 at Exit 2. After exiting, head south to access the parking area. Crew will walk from the parking area to the aid station (.25mi).

### 50K

There will be shuttles to the Rustler's and Troybuilt Aid Stations from the start/finish areas throughout the day. There is absolutely NO PARKING at the Rustler's Aid Station – do not drive out there!

# RACE DAY INFORMATION

## DROP POLICY

Runners are encouraged to withdraw from the race only at Aid Stations. This will help Race Management ensure all runners are safely accounted for. All runners **MUST** notify the Aid Station Captain that they are withdrawing, and turn their bib in. If a runner is unable to withdraw at an Aid Station, they **MUST** notify Race Management at the Timing Tent located at the Finish Line, or by calling the Emergency Number on their bib: **813-422-2094**.

In the event that you do not finish (DNF) the race, race management is required to collect your bib at the Aid Station. This is essential for runner accountability and ensures that our command team can confidently confirm the course is clear at the end of the day. We understand that bibs hold sentimental value for many runners. If you'd like your bib returned, we can hand it back after the course is cleared. Please note that this may take several hours after the final course cut-off, as bibs are retrieved from remote aid stations. Please attend the award ceremonies to check if bibs have been returned by that time. If so, we can distribute them during that window only. Thank you for your understanding as we prioritize runner safety.

## WEATHER

Please check the weather before race day. Weather can range from hot temperatures to snowy mountain tops this time of year. [CLICK HERE](#) to check the weather in the area prior to race day. Please be sure to also check the weather conditions getting to and from the race if you plan on driving. It can snow on I-70 in April; please allow for enough time to get to the event, as refunds are not given in the case that weather impacts your arrival time.

## ROAD SAFETY

Runners will at times during this event be running on dirt roads that could possibly be shared by OHV/UTV/4X4 vehicle's. Please always be aware of your surroundings and use caution during these sections of the course. Headphones are discouraged during these sections of the course. Always look before crossing these roads.

## MEDICAL INFORMATION FOR RUNNERS & CREW

Emergency medical care will be provided at every aid station and the finish line. Participation in this event is at the runner's own risk. Adequate training is essential. Runners are encouraged to consult with their medical provider prior to the event. Please be sure to notify race staff of any medical condition or allergies. You can place all this information on the back of your race bib as well as on the white medical bracelets you can pick up at the registration tent. Runners' crews must be prepared, anticipate runners' needs, and provide basic care. This includes hydration and nutrition specific to the runner based on experience and tolerance, aside from race provided supplies. Runners may experience nausea and vomiting during the race. This can be for a variety of reasons, most commonly over-hydration, under-hydration, heat stress and altitude exposure. It is advised the runner always "drinks to thirst", avoiding over or under hydration. Be sure to seek medical attention if symptoms continue or worsen.

## DROP BAGS

### 100K AID STATION DROP BAGS

Drop bag drop-off will be located near the start line in a clearly marked area on race morning. This is for bags that will be transported to the Rabbit Valley Aid Station. All runners will need to write their name, bib number, and Aid Station/location of where the bag is to go. Not doing so could result in a bag being delivered to the wrong location. Each location will be labeled to ensure that drop bags are transported to the proper location. Please do not put anything of great value, including important documents, in these bags. All drop bags must fit through an 8" x 10" opening, and can be no longer than 16".

### START/FINISH LINE DROP BAGS (ALL DISTANCES)

There will be a location at the start line to drop finish line drop bags with post-race necessities. They will not be transported to any location on course. If you do not retrieve your bag by the Awards Ceremonies, it will be donated. Please do not put anything of value in this bag.

# RACE DAY INFORMATION

## COURSE CUT-OFF

**Refer to the aid station chart for specific distance information on course cutoffs.**

Cut-off times are calculated with the following considerations:

- Safety of all participants including, but not limited to runners, volunteers, medical staff, and search & rescue.
- Remoteness of certain sections of trail.
- Access to certain sections of trail.
- Conditions of certain sections of trail.

The race organization reserves the right to add or change any listed cut-off times prior to and during the race. The race organization reserves the right to remove a runner from the course and remove their bib, if it determines there is no possibility of an athlete finishing before the listed cutoff times based on their location, time, and average pace.

A runner MUST leave an Aid Station prior to the cut-off time, or they will be considered a Drop, and their bib will be removed. A runner cannot leave an Aid Station behind the Course Sweeps. NO EXCEPTIONS! A runner also cannot leave the Aid Station prior to the cut-off time, then return to the Aid Station, or receive assistance from their crew. Any runner leaving the Aid Station prior to the cut-off, must continue on the marked course. Any runner arriving to an Aid Station after the cut-off time will be considered a Drop and their bib will be removed. NO EXCEPTIONS!

For permitting reasons, and the continuation of the event, the safety of all runners, volunteers, safety personnel, and race staff, the cut-off times and rules must be honored and respected for all UTMB events.

## AID STATIONS

Aid stations will be located throughout the course. The general offerings are as follows:

- Nutrition: Naak Drink Mix and Naak Gels; assorted fruits; soda; assorted sweets & salty snacks; peanut butter & jelly sandwiches; and other assorted food
  - Not all aid stations will offer full Naak nutrition offerings.
- Runner Care: Basic first aid/blister care; bug spray; sunscreen; lubrication for chaffing; feminine products
- Refer to the aid station chart for detailed information on aid station offerings by distance.
  - HS - Hydration Station
  - AS - Aid Station

## WEATHER PROTOCOL: GEAR

Hot or Cold Weather Kits may be implemented by Race Management if inclement weather determines it. Please refer to the [RACE REGULATIONS](#) for a full list of the Mandatory Gear, Hot and Cold Weather Kits. It is the runner's responsibility to bring all gear and kits that is or may be required to the race. Race Management may not be able to make the decision to implement the Hot or Cold Weather Kits until a few days out from the event as weather patterns are highly unpredictable and can change on a moment's notice, especially in the mountains.

Mandatory gear must be carried for the duration of the race. Recommended gear is strongly advised based on conditions.

# RUNNER BIBS

DO NOT fold your bib under any circumstance.

Make sure you are at the correct race!

Just so we know who you are, or you forget who you are!

Your race distance.

All bibs must be front facing and visible at all times. We recommend pinning bibs to your shorts, pants or leggings.

Only call this number in an emergency or if you are dropping the course.

This is your timing chip. Do not bend the bib or damage this chip. This could result in the loss of tracking.

List all your Medical Information here. This is crucial for our Medical Team.

Please fill your information out.

Please fill your Emergency Contact person information out. This should not be someone who is also running the race.

The image shows the front of a race bib for the 'DESERT RATS' 100K race, organized by UTMB. The bib is white with green and blue accents. It features the race name '100K' in large green letters, followed by '0000' in green. Below this, there are fields for 'First Name' and 'LAST NAME'. A small '100K M' logo is visible on the right. A vertical strip on the left side is labeled 'EXPOSURE TO THE ORGANISATION'. At the bottom, there is a '2026' and a 'COMMAND CENTER NUMBER: 1 (813) 422-2094'.

The image shows the back of a race bib, which is a form for providing personal and medical information. It includes fields for 'Name:', 'T-Shirt Size:', 'Emergency Contact:', 'Emergency Phone:', 'Allergies to Medicines:', 'List of Current Medications:', and 'Current Medical Condition(s):'. At the bottom, there is a 'RACE RESULT' logo, a barcode, and the website 'www.raceresult.com'. The bib is marked with '18' in the corners.

# HOW TO WEAR YOUR BIB

**UTMB®**  
**WORLD SERIES**

All bibs must be front facing and legible.

Do not fold the bibs as it will damage the timing chip.

**BACK**

Do not wear the bib on the back of your person or running vest.

Do not wear the bib under or close to the bottom of your running vest so it is legible & the timing chip isn't damaged by the vest.

Do not rotate the bib as it will potentially render the timing chip unreadable.

Do not place the bib on an article of clothing that will be quickly removed.

## STANDARDS

### ALONG THE TRAIL

All course ribbons and flags will be placed within eyesight of the next one. Look for course ribbons to be placed on the following:

- Trees
- Bushes
- Tied to rocks on the trail
- Forest service trail signage
- Course signage

Course flags will be placed in addition to and alternating with course ribbons. Look for course flags to be placed on the following:

- Pinned into the ground
- Supported by rocks on the trail
- Forest service trail signage
- Course signage

## COURSE SIGNAGE

|                                                                                     |                                                                                                                                                                            |
|-------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Critical Turn Ahead: This indicates a turn or intersection is coming up. Pay close attention to course markings.                                                           |
|  | Wrong Way: This indicates a section that is not on the race course. Do not pass these signs. Look for the appropriate course markings or signage to stay on course.        |
|  | Directional Arrows: These indicate the direction of travel on course. Follow the direction of the arrow. A left or right arrow sign may also indicate a turn is coming up. |

## URNS & INTERSECTIONS

Leading up to a turn, additional markings will be applied to the side of the trail in the direction of the approaching turn. Immediately after the turn is made, additional course markings will be applied to both sides of the trail to serve as "confidence" markers to ensure you made the correct turn and are on course. Directional arrow signage will be placed leading up to and at turns, in the direction of the upcoming turn. Prior to key intersections, a "Critical Turn Ahead" course sign will be added to alert runners leading up to a turn.

### WRONG WAY

"Wrong Way" signage will be placed at intersections on trails that are not on the course. Additional "Wrong Way" signage will be placed further down a trail that is not on the course in case the first sign is missed. If you do not see a course marking ribbon or flag within your field of vision, you are most likely off course. Re-trace your steps until you find the correct course marking for your race.

# CREW & SPECTATOR RULES

## CREW RULES

Crews are only allowed in the 100K and 50K distances at the designated crew locations and aid stations. Follow all parking directions and signs when arriving at these areas and stay within the designated crew area at each location. We ask that you also remain aware of the other runners that are in the crew area or that may be passing by the area for runner safety. Crews are not allowed to leave the area running with their runners.

## CREW & SPECTATOR REGULATIONS

1. Runner crews & spectators must adhere to all Crewing & Spectator Rules and Regulations. Failure to comply, may result in disqualification of the runner.
2. Parking is only allowed in designated areas.
3. Crew & spectators must follow all city, county, and state laws while driving and parking.
4. Some aid stations will require a walk-in from the designated parking areas. Please have crew & spectators plan accordingly.
5. Dogs are highly discouraged from being brought to crewing locations and **MUST** remain on a leash.
6. Crews are not allowed to access or interfere with the aid station and its operations.
7. Crewing is **ONLY** allowed in the designated areas within each of the aid station locations listed below. Runner crewing is forbidden at all other aid stations, as well as at any other point of the race route.
  - 100K: Rustler's & Rabbit Valley Aid Stations
  - 50K: Rustler's & Troybuilt Aid Stations

## MEET YOUR EXTRAORDINARY

Uniting trail runners, both elite and amateur alike, through the leading international events in the most stunning locations.

The UTMB® World Series gives all trail runners the chance to experience UTMB® adventure across the world, discovering cultures and sharing trails as they start their quest towards the UTMB® World Series Finals at the pinnacle HOKA UTMB® Mont-Blanc.

### FINALS

The mythic **HOKA UTMB Mont-Blanc** is the world's most well-known and revered trail running event on the planet.

In the heart of the Alps, the prestigious **UTMB World Series Finals** are held in 3 categories: the **OCC (50K)**, **CCC® (100K)** and **UTMB® (100M)** every year at the end of August in Chamonix, France.

### MAJORS

Four **UTMB World Series Majors**, are held each year across the Americas, Europe, Asia-Pacific and Oceania regions.

Collect double the amount of Running Stones compared to other UTMB World Series Events for the UTMB World Series Finals lottery. In total, 210 runners are also granted automatic qualification for the UTMB World Series Finals through each Major. This includes age-group category winners and the top 10 male and female runners in the 100M, 100K and 50K categories.

### EVENTS

**Get the UTMB experience closer to home.** Built on a passion for the mountains, with sustainability at its heart, UTMB World Series Events, gives all trail runners the chance to experience the UTMB adventure while showcasing the unique aspects that each race destination offers at over 60 Events around the world.

**BEGIN YOUR QUEST TO HOKA UTMB MONT-BLANC AND THE UTMB WORLD SERIES FINALS.**

## RUNNING STONES: BOOST YOUR CHANCES FOR THE UTMB WORLD SERIES FINALS

Earn Running Stones by completing races in the 20K, 50K, 100K, or 100M categories at any UTMB World Series Event or Major.

- ✓ Running Stones are cumulative and never expire, so you can collect as many as you like over time.
- ✓ You'll need just 1 Running Stone from the past two years to qualify for the Finals lottery.
- ✓ Each Running Stone gives you an extra chance to be selected in the lottery.

Start your journey, gather your Running Stones, and unlock the path to the UTMB World Series Finals!

## UTMB INDEX

### YOUR TRAIL RUNNING PASSPORT

The **UTMB Index** measures a runner's performance across four race categories: **20K, 50K, 100K, and 100M**, as well as an overall score.

#### IT'S ESSENTIAL FOR:

- ✓ **Entering the UTMB World Series Finals lottery**  
(with at least 1 Running Stone).
- ✓ **Defining your start wave** to ensure the best race experience.
- ✓ **Exclusive Race Access:**  
You benefit from a 48-hour priority registration to UTMB World Series Events. And for some **100K and 100M events** require a valid UTMB Index for safety or lottery pre-registration.

#### HOW IT WORKS:

- ✓ Your UTMB Index is based on your **top 5 race results** (weighted for recency and performance) over the last **36 months**. At least **1 valid race result** in the past **24 months** is required for a valid UTMB Index.
- ✓ With over **6,000 races worldwide** they are plenty of opportunities to boost your UTMB Index.
