The LiveTrail APP: a complete experience on a single platform!

In order to offer a complete experience on a single platform, the LiveTrail application now incorporates the functions of the LiveRun and LiveInfo applications.

MAIN FEATURES

For the public:

- Search for your family and friends and track their progress, speed, their last crossing point and the estimated time to the next crossing point
- Get your bearings on the route, view all the routes, with cut-off times, and launch GPS navigation to a waypoint to get there
- Access general information about the event (maps, timetables, parking, transport, programme, etc.)
- Live or relive the excitement of the race using LiveCams at various points of interest along the route
- Create a list of favourites, select several runners to follow and keep up to date with their progress using automatic notifications
- Get information on the runners taking part in the event (UTMB Index, runner achievements)

For the runner:

- Prepare for your race using the virtual runner feature. Estimate your progress at the various checkpoints based on your target time or your UTMB Index
- For your safety, report your withdrawal from the race, send an SOS or call Race HQ
- Discover the upcoming important checkpoints with the estimated time to get there
- Follow your friends, compare your progress with them and receive notifications of their passage through the various intermediate points
- Use your smartphone as a GPS beacon so that the public and Race HQ know your position in real time

 The viewpoint has been designed as a sundial and is located at the peak of Peyreguils, at an altitude of 2701 metres and a few metres from the geographical border between Andorra and France.

 Get a 25% discount on your visit to the Viewpoint! The discount applies to the GOLD PASS which includes Gondola Tristaina and Chairlift Creussans : ascent + descent.

DISCOUNT CODE: **TRAIL250A2026.**

 You can book your visit on www.ordinoarcalis.com.
