BY UTMB

REGISTRATION CONDITIONS 2027

MEET YOUR EXTRAORDINARY

UTMB® WORLD SERIES

REGISTRATION CONDITIONS

TENERIFE BLUETRAIL BY UTMB®
Appendix to the Tenerife Bluetrail by UTMB® Regulations

2027 EDITION – 8 to 10 April

1) REGISTRATION SYSTEM

Registration will be available exclusively through the website: www.tenerife.utmb.world

2026 edition runners.

On a priority and exclusive basis, from **10:00 a.m. (Canary Islands time) on 8 June until 11:00 p.m. (Canary Islands time) on 12 June, registration will be available only to runners who were registered for the 2026 edition, which was cancelled.**

All runners registered for the 2026 edition may register for the same race category in which they were entered in 2026 by accessing the registration platform and logging into their **My UTMB** account. A single payment of 10 € will be required.

The 73k race category from 2026 will be renamed the 82k in 2027 due to the increase in distance.

It is possible to change race distance, subject to the following conditions:

Changes to a shorter distance: Participants wishing to change to a shorter distance must do so at the time of registration and pay the single 10€ fee. This includes changing from the 110k or 82k distances to the new 68k distance. As an exception, changing from the 110k to the 82k distance is not permitted. At the time of registration, the website will display all available options applicable to each runner. No refund will be granted for changes to a shorter distance.

Changes to a longer distance: Participants wishing to change to a longer distance must do so at the time of registration and pay the single 10 € fee. Changes to longer distances are permitted only from the 47k to the 68k, from the 24k to the 47k, or from the 24k to the 68k. **Changes from the 82k (formerly the 73k) to the 110k are not permitted**.

General registration for the 2027 edition

Registration will open exclusively to runners holding a valid UTMB® Index **from 10:00 a.m. (Canary Islands time) on 17 June**. On **19 June**, registration will open to all other runners without a valid UTMB® Index from 10:00 a.m. Tenerife local time (11:00 a.m. CET) through direct purchase, with no pre-registration or draw process. For certain race distances, possession of a valid UTMB® Index in specific categories is mandatory.

Registration will remain open **until 10 March 2027** or until all places have been filled. Should all places be filled before that date, the organisation reserves the right to establish a waiting list to fill any vacancies arising from withdrawals. In such cases, and where places become available, interested runners will be notified before 20 March 2027. Registration must be completed exclusively online and payment must be made by credit card.

Registration is open to all persons, male or female, who meet the minimum age requirement established for the selected race distance:

1. **Tenerife Bluetrail 110k, 82k and 68k** (minimum age of 20 during the year of the race): born in 2007 or earlier.
2. **Tenerife Bluetrail 47k, 47k Relay and 24k** (minimum age of 18 on the day of the race): born on or before 19 March 2009.
3. **VERTICAL NIGHT CHALLENGE** (minimum age of 15 during the year of the race): born in 2012 or earlier.
4. **JOËLETTES** (minimum age of 18): born in 2009 or earlier.
5. **CHALLENGE** (minimum age of 18): born in 2009 or earlier. Minors must be accompanied at all times by a responsible adult.
6. **FAMILY RACE:** Maximum of five participants, including at least one adult (18 years of age or older) and one minor.
7. **PEQUE (KIDS) RACE:** One adult and one child born in 2019 or later.

To register for the Tenerife Bluetrail 110k, runners must demonstrate experience in long-distance races. **Participants must hold a valid UTMB® Performance Index in either the 100K or 100M categories.**

Further information is available at: https://utmb.world/utmb-index. Check your UTMB® Index: https://utmb.world/es/utmb-index/runner-search

Participants should be aware of the demanding nature of the terrain and the fact that the races are run under semi-self-sufficient conditions. The Tenerife Bluetrail by UTMB® 110k is not intended as an introduction to trail running. For this reason, **the organisation recommends that runners have a UTMB® Index, corresponding to a minimum performance level of 410 in the 100M category, as this is the benchmark used to establish the cut-off times.** With a UTMB® Index below this level, it is highly likely that runners will be unable to meet the required cut-off times and therefore will not be able to continue beyond the control points. Consequently, runners with a UTMB® Index below 410 are advised not to enter the Tenerife Bluetrail 100M.

The organisation strictly enforces all cut-off times.

For safety and control purposes, **registration is personal and non-transferable**. The transfer of a registration to another race or to another participant is not permitted under any circumstances. Accordingly, runners who are unable to attend must process their withdrawal through the official channels provided.

2) GENERAL REGISTRATION FEES

Registration fees are variable and are limited to a fixed number of race bibs.

Price range for each race (IGIC included):

CATEGORY	EARLY BIRD	T2	T3
	First 50	51 to 250	Last
110k	195 €	215 €	235 €
82k	150 €	170 €	190 €
68k	110 €	125 €	140 €
47k	70 €	90 €	110 €
47 Relay	110 €		
24k	55 €	70 €	85 €
VERTICAL	30 €		

ALL RESIDENTS OF THE CANARY ISLANDS WILL RECEIVE A 30% DISCOUNT ON THE APPLICABLE PRICE AT THE TIME OF PURCHASING THEIR RACE BIB.

Prices include all taxes and fees applicable at any given time, in accordance with current legislation. ***An additional 8% will be charged to cover banking and administrative registration fees***. This amount is non-refundable in the event of cancellation, including where a cancellation insurance policy has been taken out.

3) WHAT IS INCLUDED

- Right to participate in the race.
- Personalised race bib.
- Wristband.
- Finisher gift.
- Bag for personal belongings for transport from start to finish in the 110k, 82k, 68k, 47k, 47k Relay, 24k and Vertical Night Challenge races.
- Drop bag for use during the race in the Tenerife Bluetrail 110k.
- Timing chips (2).
- Livetrail tracking platform for runner tracking by companions.
- Livetrail app for race management by runners, including SOS system.
- Access to aid stations with food and drink.
- Course marking and mountain control staff.
- Medical assistance during the race, including safety, rescue and emergency support provided by the organisation.
- Management and transport of start bag and drop bag in the Tenerife Bluetrail 110k.
- Finisher medal.
- Finisher diploma.

- Post-race services: showers, physiotherapy and podiatry service, provisioning points and restaurant meal
- All officially registered participants, whether members of a federation or not, will be covered by an insurance policy arranged by the organisation. This policy covers accidents occurring as a direct result of participation in the event, and never those arising from illness, pre-existing conditions, latent ailments, or from imprudence, negligence, failure to comply with these regulations or with any higher-level applicable regulations. It also does not cover accidents occurring during travel to or from the event location.
- Participants are covered by a public liability insurance policy.
- Finisher status grants eligibility for *Running Stones* for the UTMB® Mont-Blanc draw.

4) REGISTRATION CANCELLATION

a) Registration cancellation insurance

Runners who wish to do so may take out cancellation insurance. The purpose of the cancellation insurance is to allow reimbursement of the total costs associated with registration for the Tenerife Bluetrail by UTMB® 2027 in the event that a participant requests to cancel their registration, subject to the following conditions:

- **In the case of a justified reason, as defined by the insurance provider's terms and conditions, a 100% refund of the race entry fee will be granted.**
- **In the case of an unjustified reason, a 70% refund of the race entry fee will be granted.**

Runners wishing to take out this insurance will be required to pay an additional 10% of the registration fee. **Cancellation insurance must be purchased exclusively at the time of registration.**

Requests for cancellation under the insurance must be submitted before 10 March 2027. After this date, the insurance will no longer be valid.

Cancellation of a registration, or non-participation in the registered race, does not entitle the participant to priority registration in future editions.

No refunds will be issued to runners who wish to cancel their participation and who did not take out cancellation insurance at the time of registration.

b) Exceptional event cancellation conditions

If the event, a race, or part of the event must be cancelled or modified (for example, one or more races being cancelled) for any reason not attributable to IDECO, S.A., more than 30 days before the start date, participants will receive a partial refund of registration fees. The amount refunded will be determined in a way that allows the organisation to cover costs incurred up to the date of cancellation.

5) TRANSFER OF REGISTRATIONS

a) Transfer to another runner

For reasons of safety and control, registration is personal and non-transferable.

Bib transfers to another runner are not permitted under any circumstances. Race bib collection must be carried out in person with an official identity document. Collection by third parties is not permitted, even with authorisation.

b) Transfer to another race within the same event

It is possible to change from one race to a shorter distance up to one month before the race (**10 March**), subject to availability. No refund will be issued for any difference in registration fees.

It is also possible to request a change to a longer distance race. Such changes are not automatic and are subject to approval by the race organisation. If approved, the participant must pay the difference in entry fee. The final price will be the price in force at the time the change is approved by the organisation.

6) ACCIDENT, RESCUE AND PUBLIC LIABILITY INSURANCE

All officially registered participants, whether members of a federation or not, will be covered by an insurance policy arranged by the organisation. This policy covers accidents occurring as a direct result of participation in the event, and never those arising from illness, pre-existing conditions, latent ailments, or from imprudence, negligence, failure to comply with these regulations or with any higher-level applicable regulations. It also does not cover accidents occurring during travel to or from the event location.

The organisation will provide, at its own expense, a public liability insurance policy in the name of each runner (already included in the registration fee), in accordance with the regulations of the relevant competent authority.

7) ELITE RUNNERS

In order to provide fair recognition to high-level athletes and ensure fair management of entry requests, places are reserved for elite athletes according to their performance index. Elite runners must register before **10 March 2027**. No registrations will be accepted after the deadline. If all places in a race have been filled, the organisation reserves the right to accept or reject elite entries.

	Men			Women		
	50K	***100K***	***100 M***	***50K***	***100K***	***100 M***
Automatic free entry	853	841	818	714	703	662

Runners who meet the criteria may benefit from the above registration conditions. Applications must be submitted by email to: **tenerife@service.utmb.world**

Obligations:

In return, elite athletes agree to:

- Attend official press conferences and ceremonies when invited.

- Attend award ceremonies where applicable.
- Wear a GPS tracking device provided by the organisation throughout the race and return it upon finishing
- Be present at the start line no later than 20 minutes before the race begins.
- Publish at least one social media post announcing their participation, including the tag **(@tenerife_bluetrail).**

8) OFFICIAL TRANSPORT

The organisation provides runners with a transport service to the start of each race category or back to designated stops (at times and from locations set by the organisation), at a cost of 10 € per journey (IGIC included). If booked outside the registration period, the cost will be

15 € (IGIC included) and payment will only be accepted by card during race bib collection. This service is subject to availability.

9) PREGNANCY AND PARTICIPATION IN UTMB® WORLD SERIES RACES

UTMB® seeks to support and encourage the participation of women in trail running events and has therefore introduced a new pregnancy policy applicable to all events in the UTMB® World Series circuit.

WHO DOES THIS APPLY TO?

Pregnant athletes

Athletes whose partner is pregnant

Athletes adopting or using surrogacy
