Running Stones

Collecting Running Stones is the only way to access the UTMB World Series Finals for regular runners.

Only 1 Running Stone acquired in the past two years is mandatory to enter the lottery. Running Stones are cumulative, have no expiration date, and each Running Stone gives you an additional chance to be drawn.

You can only collect Running Stones by finishing races in the 20K, 50K, 100K or 100M category at a UTMB World Series Event or UTMB World Series Major.

UTMB Index

Assessing the performance level of each trail runner, the UTMB Index is calculated for each of the 4 UTMB World Series race categories: 20K, 50K, 100K and 100M. Trail runners are also given a General UTMB Index calculated by combining results from all race categories.

A valid UTMB Index is mandatory to enter the Dacia UTMB Mont-Blanc lottery.

You can achieve a valid UTMB Index by completing at least one race of the UTMB World Series or a UTMB Index race in the relevant category within the previous 24 months. Once a race category has at least 1 valid result, all races from the past 36 months will be used to calculate your UTMB Index.

Race categories

20K M

Perfect for outdoor enthusiasts looking for a first trail running experience or for trail runners who want to challenge themselves or train on short distances.

50K M

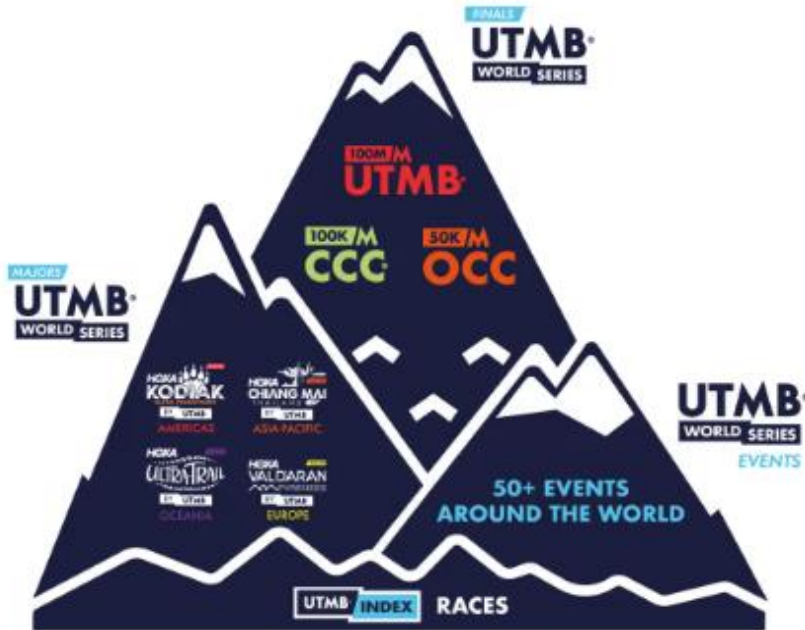

The challenging adventure. Fans of medium distances ranging between 50 and 100 km effort, the 50K category is for you!

100K M

The pathway to ultra endurance. A unique way to test yourself over 100 km effort and experience a full day on trails.

100M M

The mythical distance. Push your limits and achieve the ultimate trail running dream of over 170 km effort.

Uniting the sport's biggest stars and amateur runners through the best, leading international events in the most stunning locations, the UTMB World Series gives all trail runners the chance to experience the UTMB adventure across the world, with 50 events taking place across Asia, Oceania, Europe, Africa and the Americas in 2026. It is the only place where runners can begin their quest to Dacia UTMB Mont-Blanc, where the prestigious UTMB World Series Finals will be held.

Running Stones

Das Sammeln von Running Stones ist die einzige Möglichkeit für "normale" Läufer, an den UTMB World Series Finals teilzunehmen. Nur 1 Running Stone, der in den letzten zwei Jahren gesammelt wurde, ist für die Teilnahme an der Lotterie erforderlich. Running Stones sind kumulativ, haben kein Verfallsdatum und jeder Running Stone gibt dir eine zusätzliche Chance, gezogen zu werden. Du kannst Running Stones sammeln, indem du Rennen in der 20K, 50K, 100K oder 100M Kategorie bei einem UTMB World Series Event oder UTMB World Series Major beendest.

UTMB-Index

Der UTMB-Index wird für jede der 4 Laufkategorien der UTMB World Series (20K, 50K, 100K und 100M) berechnet, um das Leistungsniveau eines Trail-Läufers zu bewerten. Trailrunner erhalten außerdem einen allgemeinen UTMB-Index, der sich aus den Ergebnissen aller Laufkategorien zusammensetzt. Ein gültiger UTMB-Index ist Voraussetzung für die Teilnahme an der Dacia UTMB Mont-Blanc Lotterie. Wenn Sie innerhalb der letzten 24 Monate mindestens ein Rennen der UTMB World Series oder ein UTMB-Index-Rennen in der entsprechenden Kategorie absolviert haben, erhalten Sie diesen. Sobald eine Rennkategorie mindestens ein gültiges Ergebnis aufweist, werden alle Rennen der letzten 36 Monate zur Berechnung des UTMB-Index herangezogen.

Race categories

Die UTMB World Series bringt die größten Stars des Trailrunnings und Amateurläufer bei den zahlreichen internationalen Veranstaltungen an den atemberaubendsten Orten zusammen und bietet allen Trail-Läufern die Möglichkeit, ihr persönliches UTMB-Abenteuer auf der ganzen Welt zu erleben. 2025 finden 50 Veranstaltungen in Asien, Ozeanien, Europa, Afrika und Amerika statt. Dort können die Läufer ihre Reise zum Dacia UTMB Mont-Blanc starten, wo das prestigeträchtige Finale der UTMB World Series stattfindet.

20K M

The region Pillerseetal

Embedded in the renowned Kitzbühel Alps lies the Pillerseetal – where lush green alpine meadows reach for the sky, narrow ridgelines reveal spectacular vistas, and the crisp mountain air invigorates you from the very first breath. This is where your nature and trail running adventure begins!

Fieberbrunn, the sporting heart of the Pillerseetal, sets the stage for the legendary **KAT100 by UTMB** – a trail run that pushes you to your limits. In winter, the village draws outdoor enthusiasts from around the world as the host of the **Freeride World Tour**. A true hotspot for mountain lovers – whether you seek action or relaxation.

But the valley has even more surprises in store: the emerald-green **Pillersee** sparkles in the sun, the **Lauchsee** in Fieberbrunn mirrors the surrounding peaks, and the **Waidring swimming lake** invites you to dip in and unwind. Three natural gems, perfect for immersing yourself, letting go, and simply enjoying the moment.

And for those who prefer to discover the mountains at a more leisurely pace, quiet trails wind through blooming alpine meadows, alongside babbling streams, and up to panoramic views that will stay with you long after your hike – ideal for families and anyone looking to simply breathe and take it all in.

This unique running event offers different distances for all participants, which will demand everything from them. Spectators can cheer on the runners at the edge of the course or join in the celebrations directly in the village centre of Fieberbrunn.

Fieberbrunn, das sportliche Herz des Pillerseetals, ist Bühne für den legendären **KAT100 by UTMB** – ein Trailrun, der dir alles abverlangt. Und auch im Winter zieht der Ort als Schauplatz der **Freeride World Tour** Outdoorfans aus aller Welt an. Ein Hotspot für alle, die Berge lieben – ob sportlich oder ganz entspannt.

Drei Naturjuwelen, perfekt zum Eintauchen, Loslassen und Genießen. Und wer die Berge lieber gemütlich entdeckt, wandert auf stillen Wegen durch blühende Almwiesen, lauscht dem Plätschern der Bäche und genießt Ausblicke, die noch lange im Herzen bleiben – ideal für Familien und alle, die einfach mal durchatmen möchten.
