WELCOME, SUPPORTERS!

Less logistics. More cheering. More shared moments.

It is not just about having strong legs; the primary source of motivation and strength lies in the support runners feel when they spot a familiar face at an aid station. To make following the race easier for you and to reduce the number of cars traveling to accessible aid stations, we have organized a comprehensive bus transport system.

All logistics information are gathered in this document. Discover official bus services for supporters along the 50 km, 80 km, and 120 km routes, and check the schedules.

Remember: Advance reservations are required to use the bus services.

We wish you a pleasant experience!

1- QUICK FREQUENTLY ASKED QUESTIONS

In order to reduce the use of personal cars, a shuttle service has been put in place to make it easier for supporters to travel to certain aid stations. The plan is designed to allow supporters to accompany runners to the start line, passing through the main aid stations along the course as the runners progress.

Let us first answer some frequently asked questions!

? Where do I find the event program?
The event program, including all schedules can be found on the website [here](#).

? Where can I follow my runner online?
You can follow your runner on UTMB LIVE: [UTMB Live](#).

? Where can I see which aid stations are accessible and where the support is allowed?
You can find this information on our website ([here](#), each distance has a separate page) or in the [Race Guide](#) on page 73. In the Race Guide, page 72, you also have the coordinates to exact locations of all aid stations.

? Where and how do I pick up my bus ticket?
Supporters pick up their bus tickets at the INFO DESK in the Vitranc sports hall (Kranjska Gora) during specific hours:

- Thursday, 17th September, from 13:00 to 21:00
- Friday, 18th September, from 6:00 to 8:00; from 9:00 to 12:00, or from 15:00 to 20:00
- Saturday, 19th September, from 12:00 to 20:00

To pick up the bus ticket (wristband), supporters need to present booking confirmation (email) and identification document.

? Can someone else use my ticket?
No, registration is personal, final, and non-transferable without prior authorization from the organizers. Remember, a separate reservation was required for each passenger (including children, regardless of age).

? I will not manage to pick up my bus ticket during the indicated hours - can my runner or another supporter pick up the ticket for me?

Yes. In case you have accommodation outside Kranjska Gora and will not be coming with them to the BIB pick up, your runner can pick up the bus ticket for you. They will need to present your booking confirmation, a copy of your identification document and a confirmation, signed by you, allowing them to pick up your ticket.

? Will there be some signage on the bus stations?

No, there will not be any special signage. Therefore, please save this guide and the [event map](#), to have all the locations on the reach of a click on your phone.

On the event map, the exact locations for bus stations are marked with this sign (the colour does not have a special meaning): 

? What happens if the bus is delayed? Will I be informed about the schedule changes?

Transportation schedules are indicative and planned based on normal traffic conditions. As the event takes place during peak touristic season, roads may get congested. Delays and schedule changes may occur due to traffic, roadworks, accidents, weather conditions, operational reasons, road closures, or other unforeseen circumstances.

A special WhatsApp group will be active during the event, which all supporters, using the organized transport can join, to get first hand updates on possible delays, schedule changes or any kind of changes in the supported transportation system.

? What do I do if the bus is full?

Wait for the next bus. Remember, if you will be using the transport back to Bled / Radovljica on Saturday night, be mindful and give priority to runners.

? Where can I park if I want to leave my car in Kranjska Gora and then use the organized transport?

All parking spaces in Kranjska Gora are subject to a parking fee. Here is the list of parking spaces in Kranjska Gora: [Kranjska Gora parking information](#).

If you would like to avoid the parking fee we will have an additional parking area in Podkoren, free of charge (available from Friday to Sunday): [parking location in Podkoren](#). You can find more information on parking on the following pages of this guide.

? Where does the bus to the start leave in Kranjska Gora?

The bus to the starts of the races leaves from the parking space below the ski slopes - the same location as for runners. Buses for supporters will leave 15mins later than for runners.

? Where does the circular bus line stop in Kranjska Gora?

The station for circular lines in Kranjska Gora will be at the Kranjska Gora Bus station, which is 5mins walk from the Vitranc Sports hall (EXPO area).

The buses will be marked with the line colour and the route. On each circular bus, there will be a volunteer, who can help you with the schedules.

We advise you to join the WhatsApp group to get in time information on possible changes and delays (information on how to join the WhatsApp group are on the following pages). Keep in mind that there is still a lot of traffic in the Slovenian Alps during this time period, so we kindly ask you for patience and understanding, should there be any delays in the schedules.

2- IMPORTANT PRACTICAL INFORMATION

The use of the organized transportation system is only possible with a booking, made prior to the event as the number of available seats is limited.

BUS TICKETS PICK UP

Supporters pick up their bus tickets at the INFO DESK in the Vitranc sports hall (Kranjska Gora) during specific hours:

The schedule corresponds to the schedule for runner's BIB pick up. In case you have accommodation outside Kranjska Gora and will not be coming with them to the BIB pick up, your runner can pick up the bus ticket for you. - Transportation schedules are indicative and planned based on normal traffic conditions. As the event takes place during peak tourist season, roads may get congested. Delays and schedule changes may occur due to traffic, roadworks, accidents, weather conditions, operational reasons, road closures, or other unforeseen circumstances. The organizer cannot guarantee exact departure or arrival times and cannot be held responsible for delays, interruptions, or schedule changes caused by circumstances beyond its control. Please join and follow the dedicated Whatsapp group for updates.

- During the night transport towards Radovljica and Bled, priority is given to runners.

WHATSAPP GROUP FOR TRANSPORTATION UPDATES

PARKING IN KRANJSKA GORA AND ELSEWHERE

Please, remember that there is no parking available for supporters at the start locations of the SKY TRAIL 50K and LAKE BLEED 80K races. Access by private vehicle is restricted or not permitted, therefore we strongly recommend using the official supporter bus transfer also to the start of the race.

Only use official and marked parking areas. Do not park along the roadside, as this may obstruct local traffic. The event organizer is not responsible for any fines or penalties resulting from improper parking.

THERE IS NO FREE PARKING IN KRANJSKA GORA!

You can check all parking areas in Kranjska Gora here: <https://parking.kranjska-gora.si/en/car-parks/kranjska-gora/>. If you consider using one of these parkings, we advise you to check the all-day ticket.

Important: Vitranc Hall Car Park and Town Hall Car Park will be closed due to the event.

FREE PARKING IN PODKOREN

As there are none free parking spaces in Kranjska Gora, and capacities are limited, an additional parking area, operating during the event (from Friday to Sunday) will be in **Podkoren**. This parking will be free of charge.

The parking area is only 1.7 km from the pick-up point for the start shuttles (50K, 80K and 120K) - around 2.5 km from Vitranc Sports hall.

You can also use public transport from Podkoren to Kranjska Gora, which runs approximately every hour. You can check the full schedule [HERE](#) (Podkoren - Kranjska Gora). The bus station is clearly marked right next to the road. When going to Kranjska Gora, you exit at AP Kranjska Gora. A free shuttle will be available between Podkoren and Kranjska Gora on Sunday only.
